

## Open Call for Producers

### Join the LumoTV Creative Team: We're Looking for a Producer!

Are you passionate about storytelling and production? Do you thrive in a fast-paced, creative environment? LumoTV is seeking a talented and dynamic Producer to join our Creative team for an exciting 3-month contract position. This is an opportunity to work on groundbreaking social campaigns and productions that captivate audiences and push creative boundaries.

### About LumoTV

At LumoTV, we're dedicated to creating innovative, engaging, and impactful content that resonates with viewers within the deaf community. As we continue to grow and take on new projects, we're looking for a Producer to help manage the production process from concept to completion.

**Contract length:** 3 months (flexible and with potential for extension)

**Location:** Old Street, London (Hybrid)

### Key Responsibilities

- **Creative Direction & Storytelling:** Develop original content ideas, identify compelling stories to shape engaging social campaigns, and write scripts.
- **Production Management:** Organise and oversee shoots, ensuring smooth execution from pre-production through to post-production.
- **Self-Shooting & Editing:** Be hands-on with both filming and editing short-form content (rotation responsibility within a small team).
- **Collaboration & Teamwork:** Work closely with other creatives to ensure the vision is executed to a high standard.
- **Problem-Solving:** Tackle challenges as they arise, providing creative and strategic solutions to keep projects on track.
- **Post-Production & Quality Control:** Supervise editing and ensure final deliverables meet brand standards and campaign objectives.

### Requirements

- Proven experience as a Producer or Assistant Producer looking to step up.
- Proficiency in British Sign Language is essential.
- Strong understanding of the production process, from ideation to execution.
- Excellent organizational skills and a keen eye for detail.
- Ability to manage multiple projects simultaneously while meeting deadlines.
- Effective communication skills to collaborate with internal and external teams.

- Experience with creative software and project management tools.
- A passion for storytelling and delivering high-quality creative content.
